-Life Begins After Coffee

Segafredo Zanetti Coffee, Now Available in Nepal!

The undisputed leader in espresso coffee in Italy as well as all over the world is now available in Nepal! Roadhouse Group's Pasa Deli which is the flagship for Segafredo Zanetti Coffee offers all coffee enthusiasts of Nepal to discover Segafredo coffee and the incredible journey it takes to get into your cup and sip through the taste of Italy's finest espresso at its outlets.

Coffee, having been said to be the drink of a civilized world - Segafredo Zanetti Coffee is now here with a precise mission: to spread the taste, the culture and preparation of a real Italian Espresso, offering a product of outright quality, guaranteed from the small plant to the cup, as only Segafredo Zanetti can do.

There are so many ways to prepare and enjoy coffee, and Segafredo Zanetti has been working hard every day to provide their idea of quality coffee for more than forty years. Segafredo Zanetti believes that making coffee is not enough, one must know how to brew great coffee: a quality product, with a pleasant taste in all its nuances and capable of adapting to different moments, can only come from the experience and passion of those who have always produced coffee.

To get the desired blend you need experience and skilled hands, Segafredo Zanetti has both! The blending process consists in skillfully measuring the different varieties of raw or roasted coffee to obtain a specific blend. For every type of coffee, Segafredo provides a specific reference blend, which is established by a group of experts.

Segafredo Zanetti offers amazing blends which includes;

Classico Napoli is a medium dark roast blend with a rich aroma. It has a full body with low acidity. The notes you can sense are of dark chocolate, caramel, Tobacco and slightly earthy.

Espresso Roma is a medium roasted blend with a rich and intense aroma. The body of this blend is heavy and creamy with a well balanced bitter to sweet flavor.

Speciale Dolce 100% Arabica has a medium to dark roasted blend with a nutty and floral aroma where the flavors taste of a creamy body, well balanced with fruits and nuts. This blend has a dark chocolate flavor to finish.

Extra Strong Roasted Coffee has a smoky and toasted wheat aroma. This blend is low in acidity where you can taste a smooth and well balanced flavor of dark chocolate hazelnut and citrus

Coffee being one of the most consumed products in the world, a drink for creative and dynamic intelligence, a perfect way to awaken your senses at any time of the day. A major drink for our tradition, it is consumed every day in different parts of the world according to different customs and traditions.
